SEAN M. DIVOLL, P.E.  
COMMISSIONER

December 7, 2022

Dear Stakeholder,

The City of Marlborough and Weston & Sampson Engineers, with funding from the State of Massachusetts's Municipal Vulnerability Preparedness grant program, is performing a comprehensive review and update of its City Ordinances, so that they account for and address climate resiliency.

You are invited to participate in the project by offering feedback on the draft Ordinance changes. We have scheduled an introductory meeting:

**City of Marlborough  
Climate Resiliency Ordinance Updates  
Public Information Session**

**Date: Monday, December 19, 2022**

**Time: 5:30 PM to 7:00 PM**

**Location: City Hall**

**Memorial Hall, 3<sup>rd</sup> floor**

**140 Main Street**

**Marlborough, MA 01752**

The meeting will invite various stakeholders like you to be introduced to the scope and goals of the project, and review some of the significant proposed changes. There will be opportunity for questions and discussion at the meeting, and you will be given details on how over the next several weeks you can provide feedback and suggestions, using your local knowledge and expertise.

I hope you or a designee can join us at the meeting!

Sincerely,

Thomas DiPersio, Jr., PE, PLS  
City Engineer
